Classroom Partners Program 2023-2024

Dear Blossom Family, Friends and Supporters,

Happy NEW School Year! We are ecstatic to announce we have officially started our 21st school year! Our students are excited to return to school and are ready to work hard in and out of their classroom. This year your support is needed more than ever; the classrooms will be relying on your kindness and support for our “*Classroom Partners Program*” to make it through the year. We would like our students to benefit from this program as early in the school year as possible. Last year we were able to raise \$3,750, a little more than the year prior, and funds went directly to the classrooms to be utilized for many different things including the purchase of Montessori materials, classroom supplies, teaching aids, supplies for special projects & science experiments, iPad apps, software for our Sharp Aquos boards, printer toner cartridges, educational magazine subscriptions, annual memberships to online educational support sites, and new books for classroom libraries. This truly is a wonderful program that benefits the students directly.

We hope that many of our past years’ partners will decide to adopt a classroom again this year. We also look forward to new participants in this brilliant yet simple program. A one-time donation of \$200.00 (two hundred dollars) will allow you to participate in the “Classroom Partners Program” by “adopting” a classroom. You may also choose to adopt more than one classroom. Remember this is a tax deductible donation and benefits the wonderful children at Blossom Montessori School for the Deaf. One hundred percent of your generous donation goes directly to the purchase of supplies for *your* classroom. Thanks to our Classroom Partners, every classroom was adopted last year. We are hoping that each of our classrooms will be adopted this year as well!

When you adopt a class, either as a business, an individual or a group, you will enjoy the cards and pictures that you receive from the class you’ve adopted, as well as be invited to functions at the school. Your choice of name (whether it is a business or family name) will be put on a special certificate outside the classroom you have adopted and announced for all to see that you cared enough to help our program. Your contribution benefits the school, students, and teachers, and makes YOU part of the family here at Blossom Montessori School for the Deaf. Please consider giving to make our school the best it can be! It is a win-win situation for you, your business and the classroom.

Please fill out the enclosed membership form and return by mail along with your donation. Should you have any questions, please do not hesitate to email or call the school. Thank you for caring and we look forward to hearing from you!

 **The Students, Parents & Staff at Blossom thank you for supporting our school!**
