

2023-2024 School Year

Dear Parents/Guardians,

I am excited to invite you to the 9-12 classroom this year! I would like to tell you a little bit about myself.

I have a Bachelor of Science Degree in Elementary Education, and also have an Associate of Science Degree in Interpreting. I have been working with children of all ages on and off for 24 years. I am married and live with my husband. In my spare time I enjoy movies and reading.

I would like to give a general idea of what a day in my class would be like. Our school day begins at 8:30 am sharp. Your child may arrive between 8:20 am-8:30 am to prevent tardiness. When your child arrives they may put away his/her belongings in their lockers, and then may join their classmates in the 9-12 Classroom for morning work. Our class will have Special classes two days a week and morning and afternoon Great Work cycles daily. Your child will also be able to enjoy morning snack time, recess and lunch time with their classmates. Please be sure to pack a healthy, light snack for the morning snack time so your child will have an appetite for lunch. School finishes at 3:15 pm. At this time, students will be dismissed or will join the After Care program *if enrolled*.

In addition, your child will take home and return their student planner & communication folder each day so that we (parent-teacher) can communicate with each other easily. Please be sure to check these items daily for notes, memos, permission slips and important information. If you have any questions or need to email me for any reason, please feel free to do so. My email address is jdejesus@blossomschool.org. I am more than happy to communicate with you.

I look forward to our adventurous, upcoming year!!!! ☺

-Mrs. De Jesus
9-12 Classroom Teacher
